

## CHRISTMAS NAME TAGS

### Materials:

Felt in coordinating colors

Ellison die #DC11, Sizzix die #S26

Cardstock (white or coordinating color)

Craft or fabric glue

Hole punch

Ribbon or string

### Procedure:

Cut a gift card envelope out of your choice of felt using Ellison die #DC11, omitting the gift card.

Using your choice of cardstock, cut out gift card using die #DC11, omitting the envelope.

Fold side edges of envelope in and fold bottom up. Glue the sides of the bottom to the side edges, only putting glue on edges. Let dry.

Cut a snowflake using Sizzix die #S26 out of coordinating felt. Glue on snowflake to cover slit.

Fill out gift card and insert into felt envelope.

Punch a hole in the top of the envelope flap using a hole punch.

Using ribbon or string, tie the envelope to your package.

This may be made using all cardstock or all felt, depending on your wants and needs.

**Have a wonderful Christmas!**
