

**How to get started:**

1. Read to your child. If you read three stories at bedtime every night for one year, you'll have shared 1,095 books!

- 2. Fill in a circle for each story your child hears. Come back to the library when you have reached 100 books. Your child will receive a new log and a prize! You can also print the log in pdf form from home on our website
- 3. When you have finished 1,000 books your child will be able to select a new picture book to be added to the Library collection. The book will include a bookplate with the child's name on it. Your child will be the first one able to check out their honor book and will be invited to a 1,000 Books Before Kindergarten graduation party!
- 4. **It is up to you:** You can record the same book more than once if your child has a favorite you read all the time! If you read the book to more than one of your children, you can record it on each of their logs. You can keep a log for each child or a family log! Books read at daycare, preschool, by grandparents, etc. all count. You can go through this as quickly as you can or as slowly as you need. You have until your child enters Kindergarten. You decide what works best for your family! It is up to you!

**1,000 BOOKS**  
Before Kindergarten

**Books 1-100**
